Subject: Matt Warner Reservoir 41-307; 3039

Dear Ms Tempest:

Sometime ago the Wildlife Resources acquired from Zelph Calder all of his right, title and interest in the above noted water filings. We are presently working with Water Resources with an intent to rebuild Matt Warner reservoir to store the maximum amount allowed under these filings.

In the reconstruction, it is our intention to allow those who own an interest in Matt Warner to share in the cost. Our records indicate we own 100% of 41-3039 and 2594.2/2945 Ac. Ft. of 41-307 or 88.1%. Would you confirm the current ownership in 41-307 and their addresses based on the information contained in your files.

Thank you for your cooperation, if I can be of any help feel free to call.

Sincerely,

Lorin N. Sperry
